

# **Minutes of the first meeting of GreenFerry Trust**

**14 February 2005**

**Staghead Hotel, 7pm**

The purpose of this meeting was to constitute GreenFerry Trust as an unincorporated association run by a Management Committee.

## **Those present (in alphabetical order):**

Joyce F, Andrea H, June J, Sheena M, Tom M, Cath P.

## **1 Reasons for constituting**

Joyce explained the rationale behind this new group. GreenFerry is seeking to constitute mainly in order to:

- raise funds and manage larger environmental projects, including street art projects;
- act as a network for other groups;
- call events in partnership with other green groups for insurance purposes; and
- generate a regular newsletter to keep local people and businesses up to date about 'green' events in Queensferry.

## **2 Constitution**

A draft constitution was presented and discussed point by point. After some minor changes, and some discussion about the group's name, the amended constitution was accepted by all present.

Tom recommended that the group try to find a patron early on for publicity and fund-raising purposes. He also said he would recommend membership of GreenFerry Trust to the Community Council.

## **3 Trustees**

Four individuals volunteered as the first committee members of GreenFerry and signed the constitution. The four are as follows:

- Joyce F
- Andrea H
- June J
- Cath P

The meeting ended at 9pm.
